## EDUCATION

### **Bachelor of Science, Information Technology**

Western Governors University of Washington, Kent, WA (Online)

Studies focused in Software Development and Information Technology. Emphasis on web development, scripting and programming, web development foundations, software development, object oriented design and development, operating systems, and data management.

## PROFESSIONAL EXPERIENCE

### **Web Designer and Developer - Freelance/Contract**

July 2017 – Present

Law Office of David Hazel – Yakima, WA

Designed and developed a responsive and mobile friendly website for attorney David Hazel.

Utilization of HTML5, custom CSS3, JavaScript, jQuery, Bootstrap, and ionicons. Designed and created a favicon with Photoshop. Performed research to discover the needs of the website and areas to focus and highlight. Created a JavaScript carousel/slideshow with captions on the homepage to highlight the attorney's specialties within a single space on the website.

### **Web Designer and Developer**

October 2010 – Present

[Nob Hill Casino](#) – Yakima, WA

Designed and developed a responsive website for the Nob Hill Casino. Website is the **#1 search result on Google, Yahoo, and Bing** for Casinos in Yakima. Obtained a domain for the business. Performed research and communicated with the General Manager to discover the needs of the website relevant to the business needs and in relation to competing local businesses. Uploaded the website to the hosting company and submitted the website URL to the most popular search engines (e.g. Google, Bing, Yahoo). Utilization of Google Analytics tracking. Administer the website and perform edits and updates as needed.

## Web and Email Designer and Developer

March 2014 – September 2016

Mount Adams Cycling Club | Yakima Basin Velo – Yakima, WA

Designed and developed a new website for the local cycling club that **effectively increased membership**. Embedded Google calendar synced to the devices of non-technical board members, enabling them to quickly and easily add events. Archived the previous website. Created a MailChimp account for the club for the dissemination of information via email newsletter. Administered and created new email campaigns when needed.

## Gaming Dealer

December 2001 - present

Nob Hill Casino – Yakima, WA

Ensure the smooth operation and flow of table games.

**Capable of interacting and communicating with a diverse array of customers.** Solid ability to address immediate concerns and to escalate issues to the next tier for quick resolutions. Be socially perceptive and actively listen to the customer's needs. Use communication skills to explain games to inexperienced gamblers. Reliable ability to maintain industry licensure to stay within state compliance and to demonstrate trustworthiness. Hand eye coordination and ability to use both hands for dealing procedures. Ability to follow instructions, rules, and procedures. Maintain patience and self-control in an often negative and hostile environment.
